Square LED Surface-mounted ceiling luminaire large

Design
C. Meyer, M. Kocks, P. H. Neuhorst

PERGA-QA 422/2600/840 AQ

Square luminaire element comprising an acrylic glass block with transparent superpolished exterior. Underneath painted matt to reduce glare. Luminaire element integrated in an outer steel powder-coated sectional aluminium square frame. The acrylic block is scratchproof and insensitive to fingerprints, and is connected to a powder-coated metal body by a bayonet and snap fastening. The metal body accommodates the electrical components and electronic ballast. The LED module is formed as a square LED flat board and can be removed for installation or exchange using a fold-out LED carrier. Plug-in electrical connection of the LED flat board. Luminaire with heat-resistant wiring. Homogenous illumination of the light surface. Suitable for ceiling or wall mounting. Light colours 830 or 840. Also in a dimmable version.
Protection rating IP20, safety class I.
Colour:
Metal body – similar to RAL 9016 white silk matt
Frame – white (WS), silver (SI), black (AQ)
