

Stora Round LED surface-mounted luminaire L D950

STORA-L-RA-D950/840 OS-DA

Round luminaire element with an opal acrylic panel mounted in a profile frame made of power-coated aluminium. The frame is screwed to the powder-coated metal gear tray body. The underneath of the steel body houses the LED modules, the top accommodates the electrical components. Mechanical ceiling fixture to a white powder coated mounting box takes place by means of a bayonet catch, electrical connecting using a plug and socket system. The luminaire is configured with heat-resistant wiring. Homogeneous illumination of the light surface. Suitable for ceiling or wall mounting. Also in a dimmable version. Light colour 4000 K. Dimmable.

Protection rating IP20, safety class I.

Colour:

Frame - similar to RAL 9016 white silk matt
